# ***POP! POP! POP THE CAT - LET'S BRING THE CAT BACK!***

You know what? One of the first cats used as memes in the world is slowly being forgotten by some cartoon dogs or frogs. That's why PopTheCat brings the true definition of memecoin, which is derived from the legendary REAL cat meme. Let's bring the cat back together!

So whether you're a meme lover or you're a cat person or even just someone who wants to go crazy with this blockchain world, Popthecat is your first choice. Join us on this promising journey and let's see where the memes take us!

# ***INTRODUCTION***

Popthecat is inspired by a cat meme called “Popcat”. This is a legendary meme but it is slowly being forgotten. So as a meme fan and a cat lover, we decided to make this meme goes viral again with “Popthecat”. It’s time for the true king of memes to reclaim his throne and remind the world why he’s the original REAL meme sensation.
